

PROGRAMME DELIVERY

Structured programmes that build confidence, leadership, and access to opportunity.

Woman Ascend Network designs and delivers structured programmes tailored to the needs of schools, organisations, and community partners. Each programme is developed with clear objectives and delivered through high quality facilitation, practical resources, and an outcomes focused approach.

What this service includes

- Programme design and planning
- Structured session delivery
- Participant resources and tools
- Mentorship integration where required
- Monitoring and feedback
- Outcomes summary and reporting

Who this is for

- Schools and education providers
- Universities and student programmes
- Corporate and funded partnerships
- Community organisations

Delivery formats

- Multi week programme delivery
- Half day or full day programme
- Cohort based development programmes
- Partner funded initiatives

Example use cases

- A six week confidence and leadership programme for students
- A career readiness programme for university cohorts
- A funded mentorship programme for women
- A leadership development series for community groups

Why work with Woman Ascend Network
